

Rodeo for Our Lord

Lord we've gathered here today
To do this thing we love
And we want to stop to ask you
To watch us from up above
We're not asking for your help
In the arena to succeed
Just a safe eye over us
Is the one thing that we need
Help us all avoid the bad
And stick to what's right
So we can live to ask you this
On many more a night
And if there is a mishap
And someone does get hurt
Do your part to keep them here
Instead of below the dirt
We thank you for all you've done
And the many things you'll do
So as we end this prayer
We'll rodeo for you
We've saddled up our mounts
And we're ready to begin
With all these things we've asked
In Jesus' name, Amen
